SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Aiken Middle School is to provide a strong educational foundation, enabling students to become life-long learners and productive citizens who are able to meet the challenges of the 21st Century. For the 2008 – 2009 school year, programs including performing arts, visual arts, athletics, and academics for both the general population of students as well as for the academically gifted students have continued to thrive. Our Parent Teacher Organization, Title One Planning Team and School Improvement Council have worked in concert with our school's leadership team to insure our efforts are meeting our students' needs. We provide remedial programs for students who are not making satisfactory academic progress and need additional assistance as well as advanced classes to challenge our academically gifted students. Our exploratory programs also provide students the opportunity to develop their interests in the arts and vocational fields.

Aiken Middle School continued the implementation of a "pod" teacher teaming system in the 6th and 7th grades for 2008-2009. This enables our school to have "schools within a school" giving each of our students in those groups more individualized strategies of instruction. Each of these "pods" is a family or learning community.

Some of our notable accomplishments this year include: Fourteen AMS 8th graders qualified as S.C. Junior Schors; State Geography Bee finalist; Area Spelling Bee Champion; 11 students made County Honor Band; 4 Students made South Carolina Region Band; 1 Student made All-State Band; 7th Grade & 8th Grade Bands earned Excellent and Superior Ratings at The USCA Concert Festival; and Five AMS Math students received Raytheon \$1000.00 scholarships.

As we continue to enthusiastically assist our students toward achieving success in our school and beyond, we welcome and appreciate the continued support from our parents and the community.

Amy Miller, School Improvement Council Chair
